Programs

Regular Meeting

This month we will be having Nancy Roberts who will **WOW** us with her dying techniques.

Nancy Roberts is first and foremost a hand knitter. She learned to spin and dye in order to expand her yarn choices beyond those commercially available. With control over fiber content, yarn construction, and color, she can enhance both the hand-knitting process and her textile designs. Check out her web site:

Annual Dinner

This year our annual dinner will be held at Christine Bo-Linn's house on Friday, May 2. at 6:30 pm.

Someone's In The Kitchen With . . .

This month's recipe is from:
Christine Bo-Linn

BANANA CAKE

1/3 cup unsalted butter, at room temp., plus more for greasing the pan
1 cup all purpose flour
1 teaspoon baking powder
1 teaspoon baking soda
1/4 cup honey
1/2 cup packed light brown sugar
1/2 teaspoon ground cinnamon
1/2 teaspoon salt
1 cup roughly mashed BABY BANANAS (about 5 baby bananas)
1/2 teaspoon vanilla extract
1 large egg
1/2 cup plain whole-milk yogurt or sour cream
1 cup semi-sweet chocolate chips, optional

1. Preheat the oven to 350. Lightly butter an 8 1/2 x 4 1/2 inch loaf pan and set aside.
2. Sift together the flour, baking powder, and baking soda and set aside.
3. Put the butter, honey, sugar, cinnamon, and salt in the bowl of an electric mixer fitted with the paddle attachment. Beat the mixture on medium high speed until light and fluffy, about 5 minutes. Scrape down the sides and bottom of the bowl, add the bananas and vanilla, and beat on medium speed until the mixture looks "broken," or lumpy, about 1 minute. The bananas should be smashed, with a few small chunks remaining.
4. Turn the speed to medium-low and beat in the egg until incorporated. Turn the speed to low and gradually add the sifted flour mixture, mixing just until no traces of flour remain, about 10 seconds. Add the yogurt and mix until the batter has only a few remaining white streaks, about 5 seconds. ***Be sure to avoid overmixing.*** Gently fold in the choc. chips, if desired.
5. Transfer the batter to the greased pan, Bake in the center of the oven until a tester inserted in the center comes out clean, about 45 minutes. Cool the cake in the pan on a rack for 5 minutes, then unmold and cool completely on the rack.

Correction: In the Pumpkin Cake recipe in the December newsletter 1 cup of milk should be added to the pumpkin filling.

Knit Tip

Scrubbie

Buy nylon bath "scrubbies" at the dollar store, undo the string that holds the nylon tube together and you'll have around a dozen infinitely adjustable yarn holders. As you need one just put the pull skein inside, tie a knot in one end and cut to the length you want. You can also store unwound hanks inside a length of the tubing to keep it from tangling while it waits in the project bag to be wound.
